

FleetNet - the secure processing of fleet cards

The software service FleetNet includes not only the acceptance of fleet cards but also the operation of host systems for the online authorization of your fleet or fuel card.

FleetNet Routing:

- Acceptance of 18 fleet cards at Hectronic HecStar, Hectronic HecFleet NT and Hectronic HecPOS
- New customer groups ensure more traffic at the public filling station
- Fleet filling stations are able to reduce their costs of operation through higher fuel sales
- As a card issuer you increase the influence of your card

FleetNet Host:

- Centralized data storage for fuel and fleet cards
 - Central card management
 - No sensitive card data at the filling station
- Online authorization against the FleetNet Host
- Acceptance of your card in other networks
- Reconciliation for factual examination of the transactions

FleetNet Routing:

The following fleet cards are available for acceptance at your Hectronic outdoor payment terminal or cash register.

FleetNet Host:

The FleetNet Host is a software service, which enables the online authorization of fuel and fleet cards.

Functional and project scope

- Import of card data from back office or ERP system
- Central authorization solution with limit management, PIN handling, product restrictions, card blocking etc.
- Operated in our cloud as a solution that keeps pace with your reliability and performance requirements
- Acceptance of your card in third-party petrol station networks via H2H interface (also without Hectronic refuelling technology)
- Reconciliation for factual examination of the transactions
- Transmission of transaction data to your back office or ERP system
- High security through SSL encryption and hardware security modules
- Based on IFSF standards

In good hands with us!

- Collaborative cooperation at eye level
- Pioneering role in digitization
- Secure processing of authorization processes
- Decades of experience in petrol station management
- Comprehensive competencies and services in the area of fleet and fuel cards
